

XENOVEX - WATER LEVEL SENSOR

Xenovex - Water Level Sensor Specification

Parameters	Specifications
Mounting Options	Top Mount
Media Type	Liquid
Pole and Throw Specification	SPST
Switch Type	Reed Switch
Usage/Application	Industrial Water level,Fuel Level,Fire Truck Water and Foam tank
Current Rating	500mA
Switching Voltage	100 VDC
Switching Current	500 mA
Contact Form	Normally open & Normally Closed
Wire Length	2mtrs
Housing Material	Stainless Steel
Float Material	PP Foam
Length Of sensor	100mm to 1300mm
